

FAASTeam presents:

Burlington EAA IMC Club Presents

This information will be Presented by Chad Hilty, Burlington EAA-IMC Chapter Leader and FAASTeam Representative. EAA IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building instrument flying, knowledge and skills. The organization network promotes a safety culture through continued education and believes that safety and proficiency are developed through education and experience. Monthly Meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, informative WINGS presentations are offered by aviation professionals. You do not have to be a rated instrument pilot to attend. Membership in the international EAA IMC Club is encouraged. Click the link below and register TODAY.

Directions: The hangar is located next to the airport beacon, close to the SkySouth FBO. Aircraft parking is available outside the hangar on the ramp or at the SkySouth FBO. Transportation is available.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
